PRODUCT SPECIFICATIONS

96 faces are available for each Continuum 12" x 24" field tile. 24 faces are available for each Continuum 24" x 48" field tile. Each individual square in the 2" x 2" Stacked Mosaic pattern measures out to 2" x 2".

MAINTENANCE

Sealing is not required. Clean Continuum porcelain tiles with a damp cloth and gentle, non-acidic soap.

APPLICATION

Continuum tiles are made of high-performance porcelain. Because of this, application on both wall and floor are extremely versatile. Continuum porcelain tiles are suitable for interior walling and flooring, as well as exterior walls and floor. Fireplace surround is okay. For installation on shower floors, please refer to TCNA guidelines and consult with your installer for proper waterproofing and sealing requirements. For further questions or information about additional usages, please consult with your installer.
